

OLSON[®] Steel Rule Die Saw Blades

Retail Price List

Effective July 1st 2022

Olson's full line of blades fits most jig saws, including reverse tooth styles for a splinter-free finish on the bottom of the die board!

Pricing: All prices are per dozen blades. Pricing for pinned blades includes pinning charge for flattened, copper coated pins.

Packaging: Rust preventative envelope containing 6 dozen blades.

Delivery: Blades listed are normally in stock for prompt delivery!

6" Pinned & Plain End Blades For use in Richards and other jig saws that require blades with 6" pin centers.

Regular Tooth Style

*See note below for Plain End Blades

Reverse Tooth Style

7 Reverse Teeth

Point	Material Width"	Tooth Height"	Material Thickness"	TPI	Catalog No.	Price Per Dozen:
1½	.109	.094	.018	14	SR1BA146.00P	Call to order and price information
